Sir

Adverting to Government Proceedings No. 762-71 (24), dated 27th July 1898, Ex 42 I have the honor to state that several ryots in Bangalore and other places in the Mysore State cultivated ganja hemp last year, but not being familiar with the mode of manufacturing Ganja, they could not produce the drug fit for consumption. It is therefore necessary to engage at once two experienced men of the Polur taluk in the North Arcot district on the Javadi hills whereof ganja hemp is cultivated for the requirements of the Madras Presidency, to show to the local ryots the mode of cultivation of ganja hemp and the manufacture of the drug. I have sent Mr. Serrao, Excise Head Supervisor, to the Javadi Hills to engage and bring two men to Bangalore. I beg to solicit the sanction of Government to

to employ them as Ganja Maistrys on Rs 20 each per mensem for one year and also to purchase the requisite Ganja hemp seed in the aforesaid Taluk, the pay of the Maistrys and cost of the seed being debited to the grant of Rs 4000 under the head – "Contingencies Plantations" in the Excise Budget.

I have the honor to be
Sir,
Your most obedient servant
M Devereux
